

MedEx Pack™

INSTRUCTIONS

MAKE LIFE EASIER.

Welcome to the MedEx Pack™ – the easy-to-use pill packaging system from MedEx Direct pharmacy.
The MedEx Pack ensures you'll take the right meds at the right time.

BEFORE YOU START YOUR MEDEx PACK – FOLLOW THESE STEPS:

- STEP** Review patient information on the box top and verify the start date.
- 1.

Name:	Tom Jones
Start Date:	12 / 04 / 08
End Date:	01 / 02 / 09
Serial #:	1234
Box:	1 of 1

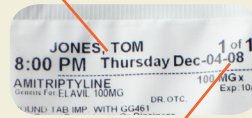

ON STARTING DAY:

- STEP** Slowly pull out the medication packet. Check the date and dosage time needed on packet(s).
- 2.

Dispenser Box Window

Date & Dosing Time

Number of Packets for each Dose Time

TEAR OFF PACKET(S):

- STEP** Only tear off packet(s) for the current dose time. DO NOT tear off any other packets!
- 3.

Tear at Perforated Line

VERIFY YOUR MEDS:

- STEP** Verify your meds listed on the front of packet(s) by med name and appearance.
- 4.
